

Alfred A Knopf *Incorporated*

May 10th, 1946

501 Madison Avenue
NEW YORK (22)

Dear Mr. Dulles,

I hear that you are both writing
a book yourself on your experiences during the
war and sponsoring one by the German, Gisevius.
I am much interested and if publishing arrange-
ments have not already been made for these, I
would like very much indeed to talk to you about
them.

Yours faithfully,

Alfred A. Knopf
